## INFECTIOUS SYPHILIS NOTIFICATION FORM

This is a Schedule 1, Section C disease notifiable to the Medical Officer of Health under Sections 74 and 74AA of the Health Act 1956 using non-identifiable data.

Please complete the questionnaire below. Timely completion is a legal requirement.

Complete the first sections of the following questionnaire (health practitioner details, case details, demographics, basis of diagnosis, clinical and laboratory criteria) and assign a case classification.

If 'not a case', then there is no need to complete the rest of the form.

| Health i | practitioner o | detail      | ls |
|----------|----------------|-------------|----|
|          | practition (   | , O . CO. I | _  |

Name of health practitioner

| Name of organisation/clinic  |   |  |  |  |
|--|---|--|--|--|
| Email address  |   |  |  |  |
| Phone number   |   |  |  |  |
| Case details and Demographics  |   |  |  |  |
| Sex (please note: this does not refer to gender identity)  | <ul><li>☐ Male</li><li>☐ Female</li><li>☐ Unknown</li><li>☐ Indeterminate</li></ul> |  |  |  |
| Date of Birth  |   |  |  |  |
| NHI (National Health Index)  |   |  |  |  |
| Case Code (Please complete the box with the first 2 letters of the surname (do not include the letters 'Mac', 'Mc', 'van der' if the surname starts with these), the first initial of given name, sex, and date of birth.) |   |  |  |  |
| 1st letter     2nd letter     1st letter     Sex     Day       surname     surname     first name  | Month Year  |  |  |  |
|  |   |  |  |  |
|  |   |  |  |  |
| For sexual health clinic cases, enter Clinic Patient ID  |   |  |  |  |
| City/town of residence at the time of diagnosis. For rural cases the nearest city/town   |   |  |  |  |
| District Health Board area where case resided at time of diagnosis   |   |  |  |  |
| Ethnicity (tick all that apply)  | □ NZ European □ Māori   |  |  |  |
